DESCRIPTION:

The Westing Rain Jacket is a versatile shell jacket designed for both everyday commutes and outdoor adventures. Powered by Tenson's MPC Plus membrane (WP 10,000 mm / MP 5,000 g/m²/24h), taped seams, and a PFC-free water-repellent finish, it offers reliable wind- and waterproof protection with excellent breathability. Thoughtful details such as adjustable cuffs, hem, and hood, articulated sleeves, ventilation, and practical pockets ensure comfort and functionality in all conditions. The detachable hood adds adaptability, making this jacket a smart choice in any weather. Pair with the Westing Rain Pants for a complete set.
