DESCRIPTION:

The jacket is wind- and waterproof, with a subtle look that combines well-considered details, textures, and functionality. Crafted from triple-layer MPC Extreme™ Shell fabric with a 10,000 mm waterproof rating, taped seams, and water-repellent zips, it ensures reliable protection. A helmet-compatible hood and high collar shield against harsh weather conditions. The soft, three-way stretch fabric allows full freedom of movement, while underarm ventilation zips help skiers regulate temperature throughout the day. Refined details include adjustable cuffs and waist, a snow skirt, a ski pass pocket, one front pocket, two zipped side pockets, and two inside pockets.

Material: Shell fabric; MPC Extreme, 3 Layer stretch, WP 10 000 mm, MP 10 000 g/m²/24h, PFC-free water repellent finish Shell 1; 100% Recycled Polyester
