DESCRIPTION:

Hunts Point Fleece Full Zip is an incredibly soft and comfortable fleece jacket, made from recycled polyester and designed with both elegance and modernity in mind. The jacquard-structured fabric provides effective thermoregulation and excellent moisture-wicking breathability, making the jacket versatile and functional for work, leisure, and various sports activities. It features a reversed front zipper with our signature Cutter & Buck zipper pull, as well as practical side pockets with zippers for added security.

Wash inside out.
