TYPE

MEN'S

AVAILABLE COLORS

WALNUT NAVY BLACK

DESCRIPTION:

The Montana Polo is a modern take on a classic, featuring a sleek zipper closure instead of traditional buttons. Made from a comfortable blend of organic cotton, recycled polyester, and elastane. It offers UPF 30+ sun protection, meaning it blocks at least 97% of harmful UV-rays. The fabric is also moisture wicking, meaning it quickly moves sweat to the outer surface and dries rapidly. You'll be more comfortable because your body can regulate its temperature efficiently and the fabric has a dry and nonsticky feeling. Montana Polo is stretchy and breathable, it's ideal for active days as well as casual wear.
