 GREY

DESCRIPTION:

The Prime Cargo Pants delivers a clean workwear look, combining comfort, and functionality. Made from a recycled polyester fabric and elastane, with a soft inner hand feel, they provide ease of movement throughout the workday. The pants feature practical pockets, including a flap pocket and a quick-access flat pocket for essential tools. The waistband is secured with a hidden snap button, an internal safety hook, and elasticated side panels. A reinforced crotch construction increases durability, while front belt loops allows accessories to be attached. It features jean-style back pockets for a flattering silhouette and offers a hem extension of up to 5 cm.
