DESCRIPTION:

The Barriér Jacket Women is a warm and protective winter jacket designed for everyday use in cold and changeable conditions. Insulated with 200 g recycled Air Push polyester, it delivers reliable warmth while maintaining a comfortable and wearable feel. Fully taped seams add protection against wind and moisture, making the jacket a dependable choice throughout the winter season. Designed with a comfortable fit and articulated sleeves, Barriér allows for easy movement in daily life. The adjustable hood can be detached for a cleaner silhouette, while adjustable cuffs and hem help seal out the cold. Practical features such as zippered front pockets, a chest pocket with zipper and an inner zip pocket provide secure storage. A functional winter jacket that combines warmth, clean design and everyday versatility for city life and outdoor moments.
